

Assure II

5-16-4

Premium Foliar
Nutrient Supplement

Product Description

- **Assure II** is a premium quality foliar nutrient product for use on turf grass, ornamentals and trees.
- **Assure II** provides two separate sources of phosphorus that are readily available to the plant plus nitrogen, potassium and calcium.
- **Assure II** uses a unique manufacturing process that keeps the major elements of calcium potash, and phosphorus from forming insoluble nutrients in both the spray tank, and in the soil. This unique combination allows maximum plant uptake.
- **Assure II** can be used throughout the growing season as a supplementary source of the major elements of nitrogen, phosphorus, potash, and calcium.

Guaranteed Minimum Analysis

Total Nitrogen (N).....5.00%
Nitrate Nitrogen..... 4.00%
Ammoniacal Nitrogen.... 1.00%
Available Phosphate (P₂O₅)..... 16.00%
Soluble Potash (K₂O)..... 4.00%
Calcium (Ca)..... 5.00%

Derived from: Urea, Phosphoric Acid, Potassium
Phosphate and Calcium Nitrate

General Use Guide

Golf Course Greens & Tees	<ul style="list-style-type: none">▣ Apply at a rate of 1.0 to 3.0 fl oz / 1000 sufficient water for proper application.▣ Re apply on a 2 to 4 week frequency for best results.
Fairways & New Plantings	<ul style="list-style-type: none">▣ Apply at a rate of 1.0 to 3.0 gallons per acre.▣ All soil applications should be based on soil tests reflecting the available phosphorus and calcium levels.▣ Repeat application on a 2 to 4 week schedule for best results.
<ul style="list-style-type: none">▣ Assure II applications can be made at any time during the growing season providing temperatures are warm enough for nutrient uptake (soil temperature should be above 50°).▣ Assure II is a highly concentrated product. Prior to tank mixing with other chemicals a standard quart jar test must be done prior to tank mixing.
